## Introduction

The following is the story, from beginning to end, about how and why fallen angels posing as extraterrestrials in the *Galactic Federation* will attempt to deceive humanity just prior to the Second Coming of Jesus Christ. The events described below were revealed through the divine inspiration of the Holy Spirit. I was convicted in my heart of the need to write this down so that others may be convinced of the truth and withstand the Strong Delusion in the Last Days.

That being said, I am merely human and prone to error and bias. Although I firmly believe the past and future events described in the story below to be true, there remains the possibility that events may have happened and/or will unfold differently. Pray for discernment and wisdom as you read this and reflect on this question:

***“How credible is it to think that literally thousands of genuine extraterrestrials would fly millions of light years simply to teach New Age philosophy, deny Christianity and support the occult? And why would the entities actually possess and inhabit people just like demons do if they were really advanced extraterrestrials?”***

— John Weldon

# Chapter 1

## History

*In The Beginning*

Before you can understand the coming Great Delusion you first have to know the backstory of how this all started. Humanity is in the midst of a spiritual war for our souls. The conflict is ancient and is unfolding to this very day.

Once you are able to see the Great Delusion for what it really is then you'll be better equipped to defend against the mass deception, endure the coming tribulation and enter into eternal life with Jesus Christ our King!

---

*... And for this reason God will send them strong delusion, that they should believe the lie.  
2 Thessalonians 2:11-12*

---

*The Law of God*

God is Love and desires to be genuinely loved by His creation. However, true love cannot be forced or coerced, it can only be earned. God gives free will to all His children, heavenly hosts and human beings alike. Free will is necessary for the expression of true love, but it is also a risk because it means that we may choose not to reciprocate His love for us.

The two eternal and universal laws of God are this:

- 1) To love God
- 2) To love your neighbor

In short: Don't live selfishly; don't live only for yourself.

---

*Jesus said to him, "You shall love the LORD your God with all your heart, with all your soul, and with all your mind. "This is the first and great commandment. "And the second is like it: 'You shall love*

*Origin of Sin*

Quite simply, the transgression of God's law is sin. This can be summarized as loving yourself more than God and/or your neighbor; selfishness. Choosing to be selfish instead of loving God and your neighbor is a potential result of free will.

Lucifer was one of God's most amazing creations. Beautiful, glorious, dazzling, he was the highest ranking commander in heaven, second only to Jesus. And like all of God's other created beings, Lucifer had free will.

For reasons unknown to us, at some point Lucifer exercised his free will and decided to elevate himself, his glory and honor, above everyone else, including God Himself. Lucifer became prideful and arrogant and only really cared about what happened to himself.

Sin is a disease and Lucifer was patient zero. Before Lucifer's sin the concept of living solely for yourself was a completely foreign concept to the other heavenly hosts and unfallen worlds. However, once other beings heard about the concept of "selfishness" they were susceptible to its temptation.

To illustrate this concept, imagine God's Law as the law of gravity. It's an invisible force that's always there whether you believe in it or not. Then imagine someone who was never taught about the science of "gravity". They just knew from experience that things were naturally pulled downwards. One day this person walks up to the edge of a cliff. They know from experience that if they jump off they'll probably be pulled downwards, but they don't know exactly why or how. Now they are faced with a choice: do they trust in their prior experience of gravity, even though they don't know how it works, or do they choose to jump off the edge just to see what happens?

Sin is like jumping off a cliff. The sensation of freefall may be incredibly exhilarating while you're plummeting towards the rocks below, but when you reach the bottom you're dead, no matter how much fun you had along the way. Lucifer was the first one to decide to jump off that cliff and as he's falling he's trying to convince everyone else to join him.

---

*You were perfect in your ways from the day you were created, Till iniquity was found in you.*

*Ezekiel 28:15*

---

## *War in Heaven*

Lucifer's decision to harbor sin in his heart meant that he could no longer be in the presence of God. However, not content to be banished alone, Lucifer waged a campaign among the other heavenly hosts to garner support for his cause.

Lucifer managed to convince one third of his fellow angels to join him in rebellion. Sin spread like a disease through heaven. Lucifer accused God of being a tyrant and that His laws were unjust. Lucifer claimed that everyone ought to have the liberty to love himself above all others. Ultimately Lucifer and the angels that joined in his rebellion were cast out of heaven.

---

*And war broke out in heaven: Michael and his angels fought with the dragon; and the dragon and his angels fought, but they did not prevail, nor was a place found for them in heaven any longer.*

*Revelation 12:7-8*

---

# Chapter 2

## Humanity

### *The Test*

Now that sin was manifest into the universe and Lucifer and the other fallen angels had accused God of being unjust, it was time for God to prove Lucifer wrong. This is where humanity comes into the story.

Sure, God could have snuffed out Lucifer and his legions the moment He found sin in them, however, doing so would have reinforced Lucifer's accusations and sin would continue to spread amongst the rest of creation. God wanted to prove to the rest of His creation that Lucifer was wrong and put an end to sin, once and for all.

In order to settle this dispute God created humanity as a neutral third-party who had not previously been involved with this controversy. We were given free will, just like all of God's other creations, and it was our responsibility to choose sides. Would we see the merits of God's Law and obey Him, or would we side with Lucifer and live for ourselves? The entire universe was watching, enthralled to witness our decision.

Lucifer knew his arguments against God were unfounded. He also saw how much God loved humanity and how much they loved God in return and this made Lucifer and the other fallen angels even angrier. Lucifer was going to have the opportunity to openly present his case against God to Adam and Eve so that humans could hear both sides of the controversy before making their decision to follow God or Lucifer – but Lucifer had a different idea.

Instead of waiting for his time to fairly present his arguments, Lucifer decided to disguise himself in the form of a serpent and used clever deception to trick Adam and Eve into breaking God's Law!

---

*Then the LORD God said, "Behold, the man has become like one of Us, to know good and evil. And now, lest he put out his hand and take also of the tree of life, and eat, and live forever" therefore the LORD God sent him out of the garden of Eden to till the ground from which he was taken.*

*Genesis 3:22-23*

---

### *The Plan of Salvation*

God's Law is unchangeable. Adam and Eve broke God's Law when they fell for Lucifer's deception – the punishment was death. God was absolutely heartbroken at the decision His children had been tricked into. But even so, He could not

alter His own Law in order to save them from death. Lucifer thought he had put God in an impossible situation: either watch your own beloved children die for breaking the Law, or admit that the Law was unjust.

Lucifer set out to prove that God's Law was wrong and that it was ok to live selfishly. Having successfully tricked God's newest creation into sinning, Lucifer claimed dominion over Earth and assumed he had won the dispute against God. But as a parent still loves a disobedient child, God still loved humanity and had no intention of abandoning us to Lucifer's fate.

To prove to the universe that His Law was loving and just, God was going to do something so radical that it wouldn't just save humanity from death, but would actually eliminate the disease of sin from the universe forever! God would take on physical human form as Jesus, being fully God and fully man. He would live a perfect, sinless life and voluntarily bear the punishment for humanity's sins by dying on the cross. As God incarnate, even death itself could not hold Him in the grave, and He rose again on the third day, triumphant over sin!

---

*Obviously, the Law applies to those to whom it was given, for its purpose is to keep people from having excuses, and to show that the entire world is guilty before God. For no one can ever be made right with God by doing what the Law commands. The Law simply shows us how sinful we are.*

*Romans 3:19-20*

---

Jesus didn't instantly eliminate all sin when He died on the cross – He provided us with a full pardon from the punishment of our all sins. All humans are on Death Row for our sins, but before any of us are executed, Jesus made an arrangement to die on our behalf. His sacrifice already was made, but now we have a choice: either walk out the door freely, accepting Christ's pardon, or stubbornly sit in that chair and die needlessly.

Returning to the metaphor of sin being like jumping off a cliff: after Lucifer jumped off the edge he managed to convince a third of his fellow angels that it was a good idea and they jumped too. Adam and Eve, like children, were warned not to jump off the cliff, but Lucifer managed to trick them into taking the plunge anyway.

Unlike Lucifer and the other angels who knew full well the consequences of their actions, God recognized that Adam and Eve's fall into sin was done out of ignorance and naivety. So even after we jump He reaches out and catches our hand, keeping us from plunging to our deaths. If we listen to Him and hold on tight, He'll pull us up to safety. However, if we're tempted to experience the incredible sensation of freefall (sin, living selfishly) we can choose to let go of His hand and plunge to our deaths. The choice is ours.

---

*For everyone has sinned; we all fall short of God's glorious standard. Yet God, in His grace, freely makes us right in His sight. He did this through Christ Jesus when He freed us from the penalty for our sins. For God presented Jesus as the sacrifice for sin. People are made right with God when they believe that Jesus sacrificed His life, shedding His blood. This sacrifice shows that God was being fair when He held back and did not punish those who sinned in times past, for He was looking ahead and including them in what He would do in this present time. God did this to demonstrate His righteousness, for He Himself is fair and just, and He makes sinners right in His sight when they*

*Wheat and Weeds*

The Plan of Salvation was finished at Jesus' death and resurrection, but Lucifer and his fallen legions refuse to go quietly into the Abyss. It's been two millennia since Jesus ascended the first time and He promised He would return.

Jesus and His followers planted the seeds of Salvation across the world. Those who hear the Good News and believe will grow strong and tall, like wheat ready for the harvest. But Lucifer and the other fallen angels are also busy scattering worthless seeds of Destruction across the world.

---

*But while everyone was sleeping, his enemy came and sowed weeds among the wheat, and went away... " 'An enemy did this,' he replied. "The servants asked him, 'Do you want us to go and pull them up?' " 'No,' he answered, 'because while you are pulling the weeds, you may uproot the wheat with them.*

*Matthew 13:25,29*

---

Wheat and tares (weeds) look so similar while growing that if you try to separate them you are liable to uproot some of the wheat in the process. It's not until the harvest that one can differentiate what is a valuable head of wheat and not a worthless weed.

Humanity is still in the growing season, but the time of harvest is approaching quickly. When Jesus returns to harvest the crop, the wheat and the weeds will be separated. The wheat will be harvested, but the weeds will be burned up.

---

*'Let both grow together until the harvest, and at the time of harvest I will say to the reapers, "First gather together the tares and bind them in bundles to burn them, but gather the wheat into my barn." ' ' "*

*Matthew 13:30*

---

# Chapter 3

## Conditioning

*Do You Believe in Aliens?*

Within the past 70 years or so, humanity has been conditioned to believe in aliens. Sure, not everyone will claim to believe in extraterrestrials, but subconsciously we all have been slowly prepared to accept the possibility of life outside Earth.

Science fiction movies, TV shows and books have popularized the concept of space travel and extraterrestrials. As modern day science and technology advances we are beginning to see many cases where science fiction has become science fact.

Rocket ships are becoming commercially-viable. The entire global knowledge-base of humanity (the Internet) can be accessed instantly using a handheld device that fits in our pocket. Quantum computers. Artificial intelligence. Blockchain technology. If the science fiction of the 1950's is possible today, people are wondering if it's possible that we'll see extraterrestrial visitors in our lifetimes.

---

*“But as for you, Daniel, conceal these words and seal up the book until the end of time; many will go back and forth, and knowledge will increase.”*

*Daniel 12:4*

---

*True Identity*

One of the most important keys to unlock the truth behind the Great Delusion, is to understand that **the coming “alien” visitors are actually fallen angels**. They will claim to be a variety of different alien races that comprise a **Galactic Federation** (possible variations of the name include the *Galactic Federation of Light, Galactic Federation of Worlds, Confederation of Planets, Interstellar Alliance, Sphere Being Alliance or Intergalactic Confederation*). They will arrive in what we would consider spaceships. They will possess not only advanced technology, but also supernatural abilities.

---

*In the midst of the living beings there was something that looked like burning coals of fire, like torches darting back and forth among the living beings. The fire was bright, and lightning was flashing from the fire. And the living beings ran to and fro like bolts of lightning.*

—

*The appearance of the wheels and their workmanship was like sparkling beryl, and all four of them had the same form, their appearance and workmanship being as if one wheel were within another.*  
*Ezekiel 1:13,16*

---

Humanity has predictable expectations of what our potential “alien” visitors will be like and Lucifer is prepared to manipulate mankind based on those expectations. Prior to their full-scale arrival, the fallen angels may orchestrate a hostile “False Flag” alien invasion via agents in Deep State organizations. By comparison to the actual arrival, the “fake” invasion will appear shallow and contrived, making the actual invasion by Lucifer and his legions seem authentic by comparison.

# Chapter 4

## Divide & Conquer

### *Hegelian Dialectic*

Before Lucifer and his legion of fallen angels kick off The Great Delusion, they first need to lay the groundwork to ensure that humanity will clamor for their help. This process starts with the Hegelian Dialectic: Problem, Reaction, Solution.

For ages, fallen angels have been sowing the seeds of division, distrust, anger, hatred and evil, fully aware of how humanity will react. Wars erupt, tyrants seize power, oligarchs hoard resources and the people are oppressed. Superficial solutions are contrived: democracy, elections, socialism, capitalism, welfare, diplomacy, etc. All these “solutions” eventually collapse or are toppled and the cycle repeats itself, getting a little more destructive each time.

---

*“You will be hearing of wars and rumors of wars. See that you are not frightened, for those things must take place, but that is not yet the end.”*

*Matthew 24:6*

---

### *Liberty Lost*

One of the most divisive topics of the modern age is politics. Over the course of the last few hundred years, governments worldwide have amassed vast amounts of power and influence.

In many first-world nations, government is organized as a form of democracy. The notion that the government is “controlled” by the people has assuaged concerns about centralizing power and authority. As people let their guard down, elected representatives slowly and quietly usurp more and more power.

The result of strong central government is a polarization of the populace. People are forced to pick sides in a “lesser of two evils” situation. Principles and values must be compromised in order to break the gridlock of bloated bureaucracy. Eventually the tendrils of government sneak into every aspect of private life, until the only way to affect change is to seize control of the all-powerful government.

---

*Now the Lord is the Spirit, and where the Spirit of the Lord is, there is liberty.  
Corinthians 3:17*

---

### *The Cabal*

Corrupt and oppressive government isn't the only method the fallen angels use to foment dissent. A number of high-profile businessmen, celebrities, athletes, actors, musicians and media personalities are part of a secretive organization called "The Cabal."

Members of the Cabal commune directly with fallen angels and knowingly worship Lucifer in exchange for worldly pleasures and success. Consequently, members of the Cabal become extremely powerful within society, with influence over politics, media and culture. Initiation and rituals within the Cabal involve absolutely horrific acts such as kidnapping, slavery, sex trafficking, pedophilia, cannibalism and even human sacrifice.

What members of the Cabal don't realize is that they are being set up as patsies and will be betrayed by the same fallen angels that brought them fame and fortune. Most decent people would be horrified by the actions of the Cabal. Over the past 20-30 years, the fallen angels have allowed the curtain to be pulled back just a little on the Cabal and it has shocked the world.

It's so shocking and disturbing that most people dismiss it as a wild conspiracy theory. However, once the curtains are pulled back completely and the Cabal is fully exposed to the world, the public will no longer be able to deny its existence and will demand justice for all the victims.

---

*For this you know with certainty, that no immoral or impure person or covetous man, who is an idolater, has an inheritance in the kingdom of Christ and God.  
Ephesians 5:5*

---

## Catalyst

The stage is now set. Populism is on the rise as people realize the growing divide between the *haves* and the *have-nots*. Corrupt governments siphon resources from the masses and trample civil rights. Satanic cults (“The Cabal”) are committing unspeakable evil in the shadows. The Deep State is getting ready to simulate a fake hostile alien invasion. The fallen angels have all the pieces in place. People are waking up, they are getting angry, and they feel powerless. The world craves a savior.

---

*... For they have turned their back to Me, And not their face;*

*But in the time of their trouble they will say, ‘Arise and save us.’*  
*Jeremiah 2:7*

---

# Chapter 5

## The Arrival

### *Day of the Sun*

The **Galactic Federation** (Lucifer and his legion of fallen angels) puts a heavy emphasis on symbols of light and energy. For this reason it is reasonable to expect them to publicly reveal themselves worldwide on a Sunday.

The day of the week known as “Sunday” has its roots in Roman paganism. The day was dedicated to the worship of the sun god that pagans considered the source of all life and energy. In 321 A.D. Constantine I, Rome’s first “Christian” Emperor, issued a decree for everyone to rest on the Venerable Day of the Sun instead of Saturday (Sabbath). Since then the pagan influence on the Christian church has only continued to grow, even to the present day.

The second most likely day of the week for the Arrival would be Wednesday. Wednesdays are associated with peak UFO activity and is also the day attributed to the demon Ashtaroth – also known as Commander Ashtar of the Ashtar Command.

Regardless of the exact day of the week the Arrival happens on, Sunday will eventually play an integral role in the Great Delusion. Keep this in mind as you continue reading.

---

*“And beware not to lift up your eyes to heaven and see the sun and the moon and the stars, all the host of heaven, and be drawn away and worship them and serve them, those which the LORD your God has allotted to all the peoples under the whole heaven.*

*Deuteronomy 4:19*

---

### *The Invasion*

Lucifer and his legion of fallen angels have been slowly revealing themselves in Earth’s skies for decades, but only to the extent God allows. In recent years, UFO sightings by the general public have been increasing rapidly. Soon God’s restraining force will be lifted and one day “alien” spacecraft and orbs will suddenly appear in the skies globally. Everyday life will grind to a screeching halt as humanity beholds this beautiful and terrifying sight. Everyone will be glued to the internet, radio and television for more information.

Government leaders and alien spokespersons from the *Galactic Federation* will address humanity and will proclaim a message of peace and prosperity. They will condemn war, poverty, corruption and environmental damage. They may also reveal that they have been collaborating behind-the-scenes for quite some time with various individuals, organizations and governments.

With the approval and cooperation of global leaders, the greatest disinformation campaign will be launched against humanity.

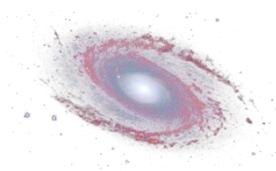

---

*Yet there is something that keeps this from happening now, and you know what it is. At the proper time, then, the Wicked One (Man of Lawlessness) will appear. The Mysterious Wickedness is already at work, but what is going to happen will not happen until the one who holds it back is taken out of the way.*

*2 Thessalonians 2:6-7*

---

### *Great Awakening*

After the initial shock of the alien arrival has subsided slightly, and the narrative has been set, disclosure will begin. Lucifer and his legion of fallen angels will masquerade as a variety of different alien races that allegedly comprise membership in the *Galactic Federation*.

Andromedans, Arcturians and Pleadians are just a few of the “alien” races that the fallen angels might imitate. **Even as fallen angels, Lucifer and his legions are still extradimensional beings that possess supernatural abilities and can manifest what appears to be advanced alien technology.**

The stated objective of their arrival and the massive disclosure campaign will be to initiate Earth as a member in the *Galactic Federation* and teach humanity how to ascend to a higher dimension. In order to achieve this goal, the fallen angels will offer leadership, technology and resources to usher in a global golden age of peace and prosperity.

---

*They offer superficial treatments for my people’s mortal wound. They give assurances of peace when there is no peace.*

*Jeremiah 6:14*

---

# Chapter 6

## Paradigm Shift

In the time shortly after alien disclosure happens there will be a massive change across the globe. Our new alien visitors will expose corrupt governments, collapse fiat currencies that have enslaved the nations, and will bring members of The Cabal to justice. Events will unfold rapidly and the paradigm shift will feel more like whiplash.

All of this will be done to build the trust of humanity. The fallen angels need to *prove* that they have our best interests at heart. Tyrannical governments, crushing debt and evil Satan-worshippers have been set up so they can be publicly destroyed when the aliens arrive.

Debt cancellation with financial system reform (see [NESARA](#)), arresting corrupt politicians and members of The Cabal... the people will feel liberated. Everyone will feel like they owe a debt of gratitude to our new alien visitors for exposing all the evil in the world. Humanity will feel like it's entering a new golden age! Next, the aliens will focus on helping humanity heal from the generations of evil and corruption that plagued our world. Now will come the cries for **peace and unity**.

---

*Do not rejoice, you Philistines,  
that the rod that struck you is broken—  
that the king who attacked you is dead.  
For from that snake a more poisonous snake will be born,  
a fiery serpent to destroy you!  
Isaiah 14:29*

---

*Universalism*

The most substantial obstacle to unifying humanity is our long history of differences. Different races, religions, politics and philosophies. The first step in achieving the fallen angels' agenda will be to remove the barriers that divide humanity by creating a new universal religion that rewrites theological history.

The goal of the fallen angels isn't necessarily to be worshiped themselves, but rather to encourage people to love themselves more than God and others. Sin originated with Lucifer when he decided to love himself more than God. Selfishness (self-love) is the reason Lucifer was exiled from Heaven. This new universal religion will emphasize loving one's self above everything else; the very definition of sin.

In order to establish this new universal religion specific "aliens" will impersonate various historical religious figures. They will serve as liaisons to unite the major religions of Earth under the Papacy, the first Beast.

---

*And I saw a beast coming up out of the sea. It had ten horns and seven heads. On its horns were ten crowns, and on its heads were blasphemous names.*

*Revelation 13:1*

---

### Christianity

A being named **Sananda** will likely claim to be the Lord Jesus Christ himself. He will be responsible for leading Christians into the new universal religion. Sananda will partner with existing religious institutions like the Papacy (Antichrist) to help Christians cope with these shocking revelations and establish a new ecumenical body of believers.

### Islam

The Quran was supposedly revealed to the Prophet Mohammed by the archangel Gabriel. Islamic tradition teaches of a coming messiah figure called Mahdi who will unite the various Islamic factions and rid the world of evil. A fallen angel impersonating this "Mahdi" figure will likely emphasize the importance of peace with other religions and disavow the violence that has historically defined Muslims.

### Judaism

Jews have been expecting their Messiah for thousands of years. When Jesus Christ was born in Israel to fulfill the prophecies of the Old Testament unfortunately most Jews did not recognize Jesus as the promised Messiah. As a result Jesus was killed by the Jews for allegedly speaking blasphemy against God. Modern-day Jews continue to expect a coming Savior. The fallen angel **Sananda** may also play a secondary role as the promised Jewish Messiah.

### Hinduism, Buddhism, and other Eastern Religions

The fallen angels will teach a version of New Age spirituality that borrows from many of the eastern religions such as Hinduism, Buddhism, Shintoism, Taoism, Sikhism, Muism, and Cao Dai. Many of these religions already have a pantheon of various gods that the fallen angels can impersonate. The components of the New Age spirituality will make adherents of these eastern religions especially easy to deceive.

### Atheism and Agnosticism

Many people today reject religion altogether because they view it as archaic and antiquated. However, atheists and agnostics are actually some of the most devout believers in the religion of science and observation. They only believe what they can see and prove. The appearance of extraterrestrials, their advanced technology and demonstrations of supernatural powers will illicit devotion and worship from even the supposedly "non-religious".

---

*For false messiahs and false prophets will rise up and perform signs and wonders so as to deceive, if possible, even God's chosen ones.*

*Mark 13:22*

---

### *Spiritism & The Afterlife*

After the Arrival of the legions of fallen angels, one of the earliest trends that is likely to captivate mankind is communication with the dearly departed. **A fundamental teaching of fallen angels is that we all have immortal souls and that upon death we immediately enter the afterlife.**

Alien teachers (fallen angels) will guide and train spiritists and mediums in the practice of communicating with the dead. Those who were not previously religious and still do not trust our new alien visitors will have their doubts assuaged by speaking with their departed loved ones. Beloved family members and friends will seemingly vouch for the aliens from beyond the grave.

The illusion of speaking with your loved ones in the afterlife will be incredibly strong and convincing. It's critical to remember that even though the person looks, sounds, smells and acts like a person you once knew and loved, **they are actually being impersonated by a fallen angel. Do not be deceived!**

---

*"There shall not be found among you anyone who makes his son or his daughter pass through the fire, one who uses divination, one who practices witchcraft, or one who interprets omens, or a sorcerer, or one who casts a spell, or a medium, or a spiritist, or one who calls up the dead."*

*Deuteronomy 18:10-11*

---

### *Assisted (Suicide) Ascension*

Another disturbing trend is likely to emerge shortly after people are told the lies about the afterlife, reincarnation and the immortal soul; assisted suicide. The prospect of death will no longer be a terrifying unknown. In fact, fallen angels

will stage elaborate public spectacles where someone who is “spiritually ready for ascension” undergoes a medical procedure (assisted suicide) to end their physical existence and ascend to a higher dimension.

After the subject dies, fallen angels will use their supernatural powers to fabricate an elaborate show of light and beauty that will make it *appear* that the person is transforming into a higher-dimensional being. Fallen angels will even impersonate the deceased subject’s appearance, voice and personality to convince others that the process was successful. Thousands will get in line to be next.

The sad truth is that after their body dies they are just dead. Their “soul” doesn’t ascend to a higher plane of existence and they do not enter into the afterlife. They won’t live again until they are resurrected with the other non-believers at the Final Judgement.

---

*The serpent said to the woman, “You surely will not die!”*  
*Genesis 3:4*

---

# Chapter 7

## The Mark

*What is a Seal?*

In order to understand the true nature of the “Mark of the Beast” and how it will be applied in the End Times, we first need to define how the followers of the Antichrist and how the followers of God will be sealed as we enter the Tribulation.

An official seal is composed of three parts:

1. Name
2. Title
3. Kingdom/Domain/Jurisdiction

For example, the President’s seal would be “Donald J. Trump, President of the United States of America”. Monarchs like the kings and queens of England would use royal seals to officiate important documents and give authority to laws. These royal seals included the name, title and jurisdiction of that particular monarch (ex. Edward I, King of England).

So what would the Seal of God be? God is His name (Yahweh, Jehova, etc). His title would be “Creator” because He created everything. “Heaven and Earth” would be His kingdom and jurisdiction:

***“Lord God Almighty, Creator of the heavens and the earth.”***

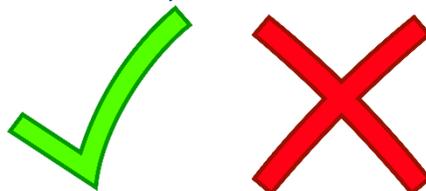

---

*Remember the Sabbath day, to keep it holy. Six days you shall labor and do all your work, but the seventh day is the Sabbath of the LORD your God. In it you shall do no work: you, nor your son, nor your daughter, nor your male servant, nor your female servant, nor your cattle, nor your stranger who is within your gates. For in six days the LORD (Name) made (Title: Creator) the heavens and the earth, the sea, and all that is in them (Jurisdiction), and rested the seventh day. Therefore the LORD blessed the Sabbath day and hallowed it;*

*Exodus 20:8-11*

---

*Everyone Marked*

Contrary to many popular theories about the Mark of the Beast, it is not a tattoo, barcode, device, vaccine or microchip. The Mark is not actually anything *physical*, although a physical mechanism could be used later for enforcement. The Mark of the Beast, like the Seal of God, is a symbol for who you worship. This is where Sunday vs. Sabbath worship comes into play.

The ultimate agenda of the fallen angels will be to establish a weekly day of rest on Sundays. Since the *Galactic Federation* puts such a heavy emphasis on “light”, and Sunday is a day already dedicated to the sun, it will seem like an obvious choice. The promotion of a global “day of rest” on Sundays will be multifaceted. Religious adherents will be encouraged to continue worshiping on this day. Likewise, atheists and agnostics will be encouraged to take the day off for personal relaxation and to save the environment.

The fallen angels will supposedly reveal hidden secrets about the history of the human race and try to explain the different truths and falsehoods behind all world religions. At first they will offer sympathy and patience for congregants who reject their new teachings. Existing Christians in particular, may be able to perceive that the aliens are actually fallen angels and will initially resist the new alien teachings.

But why is it so important to Lucifer and the fallen angels to get everyone to worship on Sundays? One word: Obedience. **The 7th-day Sabbath is God’s creation. whereas the “Sunday Sabbath” is a creation of man. By convincing people to worship on a manmade holiday instead of God’s appointed Holy Day, they will be declaring their devotion to humanity (self-worship) over devotion to God.**

---

*And I saw another angel ascending from the rising of the sun, having the seal of the living God; and he cried out with a loud voice to the four angels to whom it was granted to harm the earth and the sea, saying, “Do not harm the earth or the sea or the trees until we have sealed the bond-servants of our God on their foreheads.”*

*Revelation 7:2-3*

---

*Day of (Un)Rest*

Lucifer and his legions have been waging a very successful disinformation campaign with regards to what Christians expect the Mark of the Beast to be. Over the years they have managed to convince the majority of Christians that a) they will be raptured off the Earth before the Mark of the Beast happens and b) that the Mark of the Beast is somehow physical (stamp, technology, vaccine, etc). **So while some Christians will continue gathering on Sundays to worship, even through they reject the alien agenda, they won’t receive the Seal of God because they are blatantly disobeying the Fourth Commandment.**

God made it very clear since the dawn of creation that the 7th day Sabbath is to be the blessed day of rest and worship. The Fourth Commandment in Exodus 20 contains the Seal of God (Name, Title, Jurisdiction). Even though Jesus rose on

the 1st day of the week (Sunday), **nowhere in the Bible is there a command to change the weekly Sabbath day from Saturday to Sunday.** By convincing Christians to break the Sabbath and worship on Sundays, Sunday-keepers are rejecting the Seal of God and are embracing the Mark of the Beast instead.

The good news is that Sunday worshipers don't receive the Mark of the Beast until *after* Sunday worship is made compulsory. At first Sunday worship will be optional. Gradually it will become trendy and more mainstream. Eventually anyone who doesn't rest and/or worship on Sundays will be seen as "weird". But when mysterious calamities start striking the planet, Sunday-breaking will be blamed and subsequently criminalized. That's where the alien utopia starts falling apart.

---

*Then I saw another beast coming up out of the earth; and he had two horns like a lamb and he spoke as a dragon. He exercises all the authority of the first beast in his presence. And he makes the earth and those who dwell in it to worship the first beast, whose fatal wound was healed.*

*Revelation 13:11-12*

---

# Chapter 8

## Tribulation

*Persuasion to Persecution*

Initially, the alien visitors will collude with governments and religious leaders (Ex. Papacy) to try to persuade people to observe the weekly day of rest on Sundays. A series of incentives will be offered to encourage businesses to close on Sundays and give all employees a day off. Environmentalists will also endorse the weekly day off in order to fight “Climate Change”.

At first, Sundays will be about rest and relaxation. Some will choose to worship on this day, while others will just take the time off. **Over time, the aliens will reveal that humanity has a psychic connection to Earth/nature and that nurturing this relationship through group meditation is necessary to “ascend into the 5th dimension”.**

---

*And he causes all, the small and the great, and the rich and the poor, and the free men and the slaves, to be given a mark on their right hand or on their forehead, and he provides that no one will be able to buy or to sell, except the one who has the mark, either the name of the beast or the number of his name.*  
*Revelation 13:16-17*

---

Those who flagrantly refuse group meditations on Sundays will then become the target of soft persecution (public shaming, deplatforming, harassment, etc). Sunday-breakers will be said to be holding humanity at a “lower vibrational frequency” and undermining democracy. It’ll be said that humanity can’t complete the ascension process, join the *Galactic Federation* and avoid the approaching danger if “dark elements” within our society are not removed.

Governments will require Sunday sacredness to be observed and anyone found to be violating Sunday laws will initially be given warnings by the authorities. When warnings fail to deter people from breaking Sunday laws, fines will also be imposed. Repeated violations and failure to pay fines will ultimately result in mass arrests and imprisonment in “Enlightenment” camps (reeducation internment) .

**Once enforced by governments, those who refuse to observe Sunday worship (meditation) and continue to keep the Sabbath will receive the Seal of God. Everyone else will receive the Mark of the Beast.**

---

*“He who is not with Me is against Me; and he who does not gather with Me scatters.*  
*Matthew 12:30*

---

## Natural Disasters

So why will governments push so hard to force Sunday worship? What could possibly motivate such a heavy-handed policy? Once Sunday laws are passed the Earth will start to experience a series of increasingly violent natural disasters. **Earthquakes, floods, geomagnetic field disruptions, ozone layer rifts, droughts, cyclones, meteorite impacts, etc. The last bowls of wrath poured out against the world.**

Millions of people across the world will be killed, injured and displaced as these disasters ravage the Earth. In the wake of these catastrophes humanity will turn to our new alien visitors for guidance and advice. *“Why are these disasters happening now? What can we do to stop them?”*

As discussed previously, the fallen angels will teach that humanity has a psychic/metaphysical connection to nature. They will reveal an approaching hostile alien aggressor or an impending natural threat that is causing the environmental chaos. Representatives from the *Galactic Federation* will then instruct humanity on a global meditation campaign to set positive “intentions” on Sundays in order to heal planet Earth and for mankind to ascend to a higher dimension and escape the danger.

---

*The rest of mankind, who were not killed by these plagues, did not repent of the works of their hands, so as not to worship demons, and the idols of gold and of silver and of brass and of stone and of wood, which can neither see nor hear nor walk; and they did not repent of their murders nor of their sorceries nor of their immorality nor of their thefts.*

*Revelation 9:20-21*

---

## Final Purge & Death Decree

The brief period of peace and tranquility after The Arrival will quickly descend into chaos as the natural environment is thrown into upheaval. Millions of people will be either killed or displaced. Humanity will turn to our alien visitors for help, but the fallen angels will claim that these disasters can only be stopped when humanity finally unites, ascends to the next dimension and joins the *Galactic Federation*.

The turmoil and destruction caused by the natural disasters will have citizens clamoring for their governments to “do something”. Without any options left, political leaders will be pressured to root out any and all Sunday-breakers. Under

a state of emergency, governments will round up dissidents and put them in reeducation camps. Dissenters will be given a choice, either worship on Sunday, or face the death penalty.

---

*This means that God's holy people must endure persecution patiently, obeying His Commandments and maintaining their faith in Jesus.*

*Revelation 14:12*

---

How could people ever let this sort of obvious persecution happen? It's important to remember that the fallen angels will have taught humanity that we have immortal souls and that even after our physical body dies we will be reincarnated in another life.

By purging the supposedly backward, ignorant people from Earth, the rest of humanity will be saved. *"The needs of the many outweigh the needs of the few."* Remember, the fallen angels will teach that death is not the end. They will claim that those who are executed for breaking the Sunday laws are not actually dead, but that they are just beginning a new cycle of evolution afresh.

Sadly, this means friends and family will voluntarily turn over their loved ones to the authorities for execution. They'll believe that they are actually doing them a favor and saving humanity at the same time. The desire to "return to normal" and end the natural disasters will blind most people to the truth. They won't even realize the unspeakable evil in which they are participating.

---

*... And the time is coming when those who kill you will think they are doing a holy service for God.*

*John 16:2*

---

### *Downfall*

The good news for God's faithful remnant is that He won't let Lucifer and his legions finish their genocide against Sabbath-keeping Christians. The alien kingdom will be built on the Internet and global telecommunications. Technological infrastructure will be the primary means by which the fallen angels distribute their messages and communicate with humanity.

Then one day, suddenly everything will go dark. The Internet, TV, radio and mobile networks will crash. Society will descend into chaos, confusion and fear. Humanity is addicted to technology and will quickly experience crippling withdrawal.

---

*In fact, unless that time of calamity is shortened, not a single person will survive. But it will be shortened for the sake of God's chosen ones.*  
*Matthew 24:22*

---

It is at this point that Lucifer and the fallen angels will realize that they've run out of time. With nothing left to lose they will start agitating the mobs of scared people, whipping them into a frenzy. Under demonic influence, political leaders will blame the blackout on Sabbath-keeping terrorists and sow the seeds of paranoia. Rioters will be encouraged to engage in vigilante justice, rooting out and killing anyone they suspect of breaking Sunday observance. The streets will be filled with the blood and bodies of the rioters who have slain each other in a fit of paranoia.

---

*And I saw coming out of the mouth of the dragon and out of the mouth of the beast and out of the mouth of the false prophet, three unclean spirits like frogs; for they are spirits of demons, performing signs, which go out to the kings of the whole world, to gather them together for the war of the great day of God, the Almighty.*  
*Revelation 16:13-14*

---

Finally, in the midst of the whole massacre, light will flash across the skies of the whole world. The ground will start to rumble and then a global earthquake, the likes of which has never been seen, will convulse the entire planet. Buildings will collapse, cities will burn, tsunamis will inundate coastlands, islands will sink and mountains will crumble. Then a voice like thunder will resonate in the ears of all the survivors **"It is done!"**

---

*Then the seventh angel poured out his bowl upon the air, and a loud voice came out of the temple from the throne, saying, "It is done."*

*And there were flashes of lightning and sounds and peals of thunder; and there was a great earthquake, such as there had not been since man came to be upon the earth, so great an earthquake was it, and so mighty.*  
*Revelation 16:17-18*

---

# Chapter 9

## The Harvest

*Second Advent*

In the moments following the Great Earthquake, a brilliant light will appear like a star in the sky. It'll approach Earth and grow increasingly bright, eventually outshining the Sun itself. Night will be turned to day as Jesus Christ Himself and all the heavenly host approach the planet. Every man, woman and child on Earth will experience a collective vision of Jesus as He comes for The Harvest.

---

*So the one sitting on the cloud swung his sickle over the earth, and the whole earth was harvested.*  
*Revelation 14:16*

---

As the blinding light (Jesus and all the heavenly hosts) slams into Earth's atmosphere, it will explode outward, radiating in all directions. The wave of pure white light will expand out across the globe, burning up everything on the surface of the Earth, even melting rocks!

---

*Looking for and hastening the coming of the day of God, because of which the heavens will be destroyed by burning, and the elements will melt with intense heat!*  
*2 Peter 3:12*

*The time is coming when the LORD will say to the people of Jerusalem, "My dear people, a burning wind is blowing in from the desert, and it's not a gentle breeze useful for winnowing grain. It is a roaring blast sent by Me! Now I will pronounce your destruction!" Our enemy rushes down on us like storm clouds! His chariots are like whirlwinds. His horses are swifter than eagles. How terrible it will be, for we are doomed!*  
*Jeremiah 4:11-13*

---

## *Resurrection & Rapture*

In the wake of the ever-expanding wave of light, appearing suspended midair, Christian believers who were dead will be recreated and resurrected with new, perfect, glorified bodies. They will all gradually rise higher and higher into the sky, watching as the shockwave of light continues to engulf the Earth below.

---

*Behold, I tell you a mystery; we will not all sleep, but we will all be changed, in a moment, in the twinkling of an eye, at the last trumpet; for the trumpet will sound, and the dead will be raised imperishable, and we will be changed.*

*1 Corinthians 15:51-52*

---

For everyone alive on the surface of the planet when Jesus returns, there will only be one of two fates. As everything is destroyed by the intense burning of the wave of light, those who have God's Seal will pass through unharmed. However, the radiant light will penetrate rock and stone, so that every human without God's Seal will be killed, even those hiding in the deepest caves and bunkers.

---

*Their entire army was killed by the sharp sword that came from the mouth of the one riding the white horse. And the vultures all gorged themselves on the dead bodies.*

*Revelation 19:21*

---

Those who were sealed by God and alive at His Second Coming will be transformed into new, perfect, glorified bodies. They too will begin to rise towards the sky, no longer bound by physical limitations like gravity. The newly-transformed saints will follow behind the previously-resurrected saints, joining together high above the surface of the Earth to watch The Harvest.

---

*For this we say to you by the word of the Lord, that we who are alive and remain until the coming of the Lord, will not precede those who have fallen asleep. For the Lord Himself will descend from heaven with a shout, with the voice of the archangel and with the trumpet of God, and the dead in Christ will rise first. Then we who are alive and remain will be caught up together with them in the*

*clouds to meet the Lord in the air, and so we shall always be with the Lord.*  
*1 Thessalonians 4:15-17*

---

Once the wave of light has fully encompassed the entire globe, The Harvest will be complete. At that time Jesus and the heavenly angels will escort all the saints to Heaven and the thousand years of peace will begin.

---

*The LORD is angry with all the nations and furious with all their armies. He will devote them to destruction; He will give them over to slaughter. Their slain will be left unburied, and the stench of their corpses will rise; the mountains will flow with their blood. All the stars of heaven will be dissolved. The skies will be rolled up like a scroll, and all their stars will fall like withered leaves from the vine, like foliage from the fig tree.*  
*Isaiah 34:2-4*

---

# Chapter 10

## Millennium

### *Prison of Desolation*

After The Harvest, any human who did not receive the Seal of God will be destroyed by the intensity of Christ's return. The entire Earth and all that was in it will be burned up and laid to waste. Meanwhile, the resurrected saints and those sealed by God at the Second Coming will be in Heaven. This begins the Millennium.

---

*He seized the dragon—that old serpent, who is the devil, Satan—and bound him in chains for a thousand years. The angel threw him into the bottomless pit, which he then shut and locked so Satan could not deceive the nations anymore until the thousand years were finished. Afterward he must be released for a little while.*

*Revelation 20:2-3*

---

The only beings that will survive the Second Coming and remain on Earth will be Lucifer and his legion of fallen angels. Although they were not destroyed by Christ during The Harvest, they will be stripped of their ability to escape Earth's atmosphere.

---

*I looked at the earth, and it was empty and formless. I looked at the heavens, and there was no light. I looked at the mountains and hills, and they trembled and shook. I looked, and all the people were gone. All the birds of the sky had flown away. I looked, and the fertile fields had become a wilderness.*

*The towns lay in ruins, crushed by the LORD's fierce anger.*

*Jeremiah 4:23-26*

---

For one thousand years Lucifer and the fallen angels will be left to wander the planet's desolate surface. Without any living humans to tempt or torture these fallen creatures will be left completely powerless. With nothing else to do, they'll fight amongst themselves in frustration, desperation and rage.

---

*For the LORD has a day of vengeance, a year of recompense for the cause of Zion. Edom's streams will be turned to tar, and her soil to sulfur; her land will become a blazing pitch. It will not be quenched—day or night. Its smoke will ascend forever. From generation to generation it will lie desolate; no one will ever again pass through it.*

*Isaiah 34:8-10*

---

### Questions & Answers

When all the saints get to Heaven after Christ's Second Coming we're probably going to have lots of questions. Having received new, perfect bodies won't magically grant us omnipotence. Although we'll have many new and exciting abilities we'll still need to learn and come to understand the true nature of the universe. That's going to take time.

During the thousand years that Lucifer and the fallen angels are bound on Earth, the redeemed will be going through a sort of "orientation training" in Heaven. During the Millennium we'll have the chance to ask God, Jesus and our angelic guides many questions.

*"How did sin originate? Why isn't my uncle here, I thought he was a devout believer? Why is that person here, didn't they kill someone? Why did God let all those terrible things happen?"* – Some answers may be simple and straight-forward. Others may be painful to hear and will lead to many other questions. In the end, we'll have a much clearer understanding of God, ourselves and the whole Plan of Salvation.

---

*Then I saw thrones, and the people sitting on them had been given the authority to judge. And I saw the souls of those who had been beheaded for their testimony about Jesus and for proclaiming the word of God. They had not worshiped the beast or his statue, nor accepted his mark on their forehead or their hands. They all came to life again, and they reigned with Christ for a thousand years.*

*Revelation 20:4*

---

### Investigation

If you remember from the beginning of this story, there was a reason God didn't just smite Lucifer out of existence the moment he manifested sin. Lucifer accused God of being a tyrant and that God's laws were unjust. He managed to

convince a third of the angels of Heaven to join him in rebellion. If God just ended Lucifer on the spot, the seeds of sin Lucifer planted in the hearts of the other angels would have spread like wildfire.

The Millennium is about more than just answering our burning questions, it's about proving to the universe that Lucifer was wrong. Lucifer and his legions were given thousands of years on Earth to demonstrate how their form of government was better than God's. Now the time has come for humans and angels alike to review the case and investigate the evidence.

Remember, God does not force or coerce any of His creations to love Him. He desires that we love Him of our own free will. Therefore, before God renders final judgement against Lucifer, the fallen angels and the unrepentant sinners, He must first let us bear witness to the whole case.

---

*Blessed and holy is the one who has a part in the first resurrection; over these the second death has no power, but they will be priests of God and of Christ and will reign with Him for a thousand years.*  
*Revelation 20:6*

---

Lucifer's fate was sealed the moment he rebelled, but God's been gathering evidence against him since the Garden of Eden, and the case is damning. Once God presents all the evidence against Lucifer and all his followers, no one will be able to accuse God of being unjust ever again. After the case is closed and the Millennium is over it's time to return to Earth and render final judgement.

---

*And He will judge between the nations,  
And will render decisions for many peoples;  
And they will hammer their swords into plowshares and their spears into pruning hooks.  
Nation will not lift up sword against nation,  
And never again will they learn war.*  
*Isaiah 2:4*

---

# Chapter 11

## Final Judgement

### *The New City*

After the Millennium is over Jesus will return a third time to Earth. This time He will bring all the saints who spent the Millennium in Heaven. A glorious new city called the *New Jerusalem* is being built by God to serve as the gleaming capital of God's Kingdom! This colossal city will have a 1,500 mile perimeter!

The City will depart Heaven after the Millennium, filled with all the saints, and descend onto Earth's barren surface. Lucifer and the fallen angels that have been trapped on Earth will see the city landing on Earth and will be filled with unspeakable rage, knowing that their death sentence is about to be delivered.

---

*And I saw the holy city, the new Jerusalem, coming down from God out of heaven like a bride beautifully dressed for her husband.*

*Revelation 21:2*

---

### *Second Resurrection*

As the City lands on Earth, a great wind will sweep across the desolate surface. After the dust settles, countless billions will be seen standing outside the City as far as the eye can see. These are the resurrected bodies of unrepentant sinners throughout all of human history.

---

*The rest of the dead did not come to life until the thousand years were completed...*

*Revelation 20:5*

---

Unlike the perfect, glorified bodies that the saints were resurrected into, the resurrected bodies of the lost will be frail, feeble and sickly. Confusion and fear will grip the recently-resurrected as they try to comprehend what is happening. Then suddenly all the lost will experience a collective vision of Jesus in all His glory. Christ will then deliver the message of final judgement against all the unrepentant sinners.

---

*I saw the dead, both great and small, standing before God's throne. And the books were opened, including the Book of Life. And the dead were judged according to what they had done, as recorded in the books. The sea gave up its dead, and death and the grave gave up their dead. And all were judged according to their deeds.*

*Revelation 20:12-13*

---

In the moment of this vision, all of fallen mankind will come to realize the magnitude of their sin and the eternal consequence with which it comes. They will cry out and wail at the realization that they've condemned themselves by their own sins. The redeemed saints in the City will look on with grief, witnessing the last moments of their unrepentant friends and family.

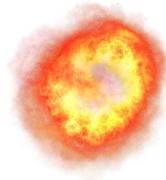

---

*Then the kings of the earth and the great men and the commanders and the rich and the strong and every slave and free man hid themselves in the caves and among the rocks of the mountains; and they said to the mountains and to the rocks, "Fall on us and hide us from the presence of Him who sits on the throne, and from the wrath of the Lamb; for the great day of their wrath has come, and who is able to stand?"*

*Revelation 6:15-17*

---

#### *Last Insurrection*

After the vision of condemnation fades, Lucifer and his legion of fallen angels will set to work on one last desperate campaign. They have nothing left to lose and they refuse to go out quietly. The fallen angels will go throughout the hoards of unbelievers, using their powers to impart supernatural strength and vigor to the multitudes.

Lucifer and his legion will then proclaim to the lost sinners that they have one last chance to save themselves. They'll stir up the masses into a riotous frenzy. When Lucifer gives the sign everyone will charge the City walls, supposing that if they can take the City and slay the saints that they will avoid damnation.

---

*When the thousand years come to an end, Satan will be let out of his prison. He will go out to deceive the nations—called Gog and Magog—in every corner of the earth. He will gather them together for battle—a mighty army, as numberless as sand along the seashore.*

*Revelation 20:7-8*

---

However, just as the horde is about to touch the City walls, hellfire will erupt from the sky and engulf the attacking army. The heat will be so intense that it burns all the sinners and even the fallen angels to ashes. Those unbelievers with only a little sin will be destroyed almost instantly, but the worst of the sinners will suffer longer according to the degree of their evil deeds. Lucifer, the original sinner, will suffer the longest in the fire, but in the end even he will be completely destroyed.

---

*And they came up on the broad plain of the earth and surrounded the camp of the saints and the beloved city, and fire came down from heaven and devoured them. And the devil who deceived them was thrown into the lake of fire and brimstone, where the beast and the false prophet are also; and they will be tormented day and night forever and ever.*

*Revelation 20:9-10*

---

God's judgement is not only fair, but also final. The fire will consume all the unrepentant sinners until nothing is left but ashes. The saints in the City will watch as sin is finally purged from existence. Initially the saints will be grieved to watch so many friends and loved ones destroyed by their own decisions, but God will comfort His people and give them relief from the burden of sin that has plagued the world for thousands of years.

---

*"You will tread down the wicked, for they will be ashes under the soles of your feet on the day which I am preparing," says the LORD of hosts.*

*Malachi 4:3*

---

# Chapter 12

## New Earth

*From the Ashes*

Once sin and sinners have been purged from existence, the time for new creation will begin. God will speak and life will spring from Earth's desolate and barren surface. Vegetation will shoot up from the soil, blossoming into magnificent trees, lush grass and all variety of plant life. These new plants will never wither or die, nor will there be any poison or thorns.

---

*Where once there were thorns, cypress trees will grow.  
Where nettles grew, myrtles will sprout up.  
These events will bring great honor to the LORD's name;  
they will be an everlasting sign of His power and love."  
Isaiah 55:13*

---

Likewise, God will also recreate the animals of the Earth. Perfect and docile, the new animal kingdom will not need to kill to survive, nor fight for resources. What once were considered carnivorous beasts will peacefully cohabitate with all other creatures.

---

*And the wolf will dwell with the lamb,  
And the leopard will lie down with the young goat,  
And the calf and the young lion and the fatling together;  
And a little boy will lead them.  
Isaiah 11:6*

---

The vast oceans of the old Earth, boiled away by the Second Coming of Christ, will be replaced by smaller lakes. The old jagged mountains, crumbled during the Great Earthquake, will be reshaped into gently-rolling hills. With so much more habitable space available, the saints will have more than enough room to explore, build and live for all eternity!

---

*Then I saw a new heaven and a new earth; for the first heaven and the first earth passed away, and there is no longer any sea.*

*Revelation 21:1*

---

*Eternal Joy & Peace*

Eternity. The word itself describes a concept that our limited human minds can barely comprehend. A life without end. This concept is not very appealing in the presence of a sinful world, but once God cleanses all sin and pain from the universe this becomes indescribable joy!

If you recall from the beginning of this story, sin wasn't even a concept until Lucifer decided to live selfishly. Once the angels and other created beings learned what "sin" was they became tempted by it.

The whole purpose of humanity going through a lifetime of sinful pain and suffering is so that those of us who survive by accepting Jesus's gift of Salvation, can serve as eternal witnesses to the rest of the universe. We will have first-hand testimony about how horrible and destructive sin really is. If anyone is ever tempted to live selfishly again we can show them by experience where that path leads. The disease of sin will be cured forevermore!

---

*What do you conspire against the LORD?  
He will make an utter end of it.  
Affliction (sin) will not rise up a second time.  
Nahum 1:9*

---

Without sin to pollute our lives we'll be free to pursue whatever hobby our heart desires. In our glorified bodies we'll hone new skills and talents that we never even dreamed of. We'll commit ourselves to learning, expanding our knowledge and understanding, and teaching others. There will be no more war, jealousy, envy, pain, loneliness or death. Words cannot convey the wonderfully infinite existence saints inherit after the Second Coming!

---

*"And He will wipe away every tear from their eyes; and there will no longer be any death; there will no longer be any mourning, or crying, or pain; the first things have passed away."*

*Revelation 21:4*

---

## *Exploring Infinity*

Although this great controversy between Lucifer and Christ played out on the planet we call Earth, it's important to remember that God also created the heavens and all that is in them. Billions of stars, galaxies, nebulae and planets exist throughout God's magnificent universe and no doubt we'll have the opportunity to explore them all.

---

*Look up into the heavens.  
Who created all the stars?  
He brings them out like an army, one after another,  
calling each by its name.  
Because of his great power and incomparable strength,  
not a single one is missing.  
Isaiah 40:26*

---

Earth may be our home and the new capital of God's Kingdom, but that doesn't mean we won't be able to travel out among the stars. In our new, perfect bodies, with the aid of heavenly technology, we'll be able to witness scenery that was once limited to science fiction.

Watching a red giant star rise above the horizon on a distant exoplanet. Standing on the surface of a comet as it sails across a solar system. Feeling the waves of energy emitted from a pulsar. God's universe is vast, mysterious and beautiful – and we'll have all eternity to live, explore and love forevermore!

---

*There will no longer be any curse; and the throne of God and of the Lamb will be in it, and His bond-servants will serve Him; they will see His face, and His name will be on their foreheads. And there will no longer be any night; and they will not have need of the light of a lamp nor the light of the sun, because the Lord God will illumine them; and they will reign forever and ever.  
Revelation 22:3-5*

---

# Addendum

So now you know the story of Salvation and Lucifer's planned deception during the Last Days.

Some of the things you've read here may shock you and make you angry. Some concepts presented here may be uncomfortable and difficult to accept. The intention here is not to tell you what to believe or what you should do. If what is written here is true, then reflect on these things in thoughtful prayer. Ask God to confirm or condemn what you've read here.

I have written these things under the inspiration and guidance of the Holy Spirit. Although the content is prophetic in nature I do not claim to be a prophet. If these things don't come to pass then you can chalk all this up to an over-active imagination. However, if benevolent "aliens" do arrive someday with a New Age message then I hope you've been paying attention to what you've read in this book!

---

*"When the prophet speaks in the name of the Lord, and the thing does not happen or come true, that is the thing which the Lord has not spoken. The prophet has spoken it presumptuously; you are not to be afraid of him."*  
*Deuteronomy 18:22*

---

---

*"Prophecy never came by the will of man, but holy men of God spoke as they were moved by the Holy Spirit"*  
*2 Peter 1:21*

---
